

Journeys around Britain

CLASS 2 SPRING (1) 2019

ENGLISH

Units of work planned independent of the project using Devon's teaching sequences for writing.

These units to include work on grammar and punctuation.

Years 5 and 6 - Poetry: *The Lost Words* by Robert MacFarlane and Jackie Norris.

Fiction: *Weslandia* by Paul Fleischman.

Years 3 and 4 - Non-fiction: *A Walk in London* by Salvatore Rubbino.

Reading and handwriting is taught outside of the project. Spelling is taught following Devon's spelling programme.

MATHEMATICS

Units of work from Devon's guidance on: - number sense, additive reasoning, multiplicative reasoning and geometric reasoning.

SCIENCE

A unit of work on Forces and Magnets to include what are forces, how things move on different surfaces, what is gravity, the effects of air and water resistance and friction, that some mechanisms allow a smaller force to have a greater effect, how and what magnets attract and repel, identifying magnetic materials and predictions of a magnets reaction to different poles.

Journeys around Britain

GEOGRAPHY

A unit of work focussing on locational knowledge to include the counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics of Britain, key topographical features and land-use patterns, how some of these aspects have changed over time, grid references, compass points and map symbols and keys.

ART and DESIGN

Making papier-mache pots and decorating with a journey of the children's choice using Aboriginal designs.

I.C.T

Years 3, 4, 5 and 6- **Computer Networks** A unit of work focussing on understanding the physical hardware connections necessary for computer networks to work, some diagnostic tools for investigating network connections, developing an understanding of how domain names are converted to IP addresses and that some elements of how search engines select and rank results.
